

THE MUNICIPALITY OF LAMBTON SHORES

Report AAC 02-2024

Meeting Date: August 12, 2024

TO: Chair Burley and AAC Members
FROM: Stephanie Troyer-Boyd, Director of Corporate Services
RE: Multi Year Accessibility Plan

RECOMMENDATION:

THAT Report AAC 02-2024 – Multi Year Accessibility Plan be received.

SUMMARY

This report introduces the draft Multi Year Accessibility Plan to the Committee and is requesting input into the Plan along with the goals and action items identified in the Plan

BACKGROUND

Staff have prepared a draft Multi Year Accessibility Plan which outlines the municipality's strategy to prevent and remove barriers and meet the requirements under the Integrated Accessibility Standard Regulation (IASR).

The Integrated Accessibility Standard Regulation (IASR) sets requirements that an organization must meet in the areas of customer service, information and communications, employment, transportation and the design of public spaces. The attached draft Plan is structured with goals and action items in each of these five (5) areas as well as a sixth "beyond AODA" section.

Staff are looking for Committee input on this draft document prior to presentation to Council for adoption.
