Notice of Public Hearing - 9 Tattersall Lane

Canada Post has reviewed the proposal for the above noted Development Application and has determined that the project adheres to the multi-unit policy and will be serviced by developer/owner installed Lock Box Assembly.

*Multi-unit buildings and complexes (residential and commercial) with a common lobby, common indoor or sheltered space, require a centralized lock box assembly which is to be provided by, installed by, and maintained by the developer/owner at the owner's expense. **Buildings with 100 units or more MUST have a rear loading Lock Box Assembly with dedicated secure mail room.***

Should the description of the project change, please provide an updated plan in order for us to assess the impact of the change on mail service.
