Municipality of Lambton Shores
9577 Port Franks Road,
Thedford, ON
N0M 2N0

Attn: Ashley Farr,

I am writing on behalf of the Forest Skating Club. We are aware that Lambton Shores Minor Hockey Association and Forest Xtreme Ringette Association are requesting the use of Lambton Shores ice this spring.

Our mini-star and star skaters have been working on their routines for carnival, which means that there is limited time to practice and test technical skills and dances. Spring ice time would give our skaters the opportunity to focus on their technical skills and dances and give our coaches the opportunity to coach and test our skaters.

FSC is requesting the use of the Shores Recreation Centre in Forest from March 31st until May 8, 2025. We would be interested in acquiring 4 hours of ice time per week for the 6 weeks requested. Also, if we can obtain enough interest in the community for power skating sessions, we would also acquire 2 additional hours per week for power skating.

Thank you very much for your time and consideration. We greatly appreciate the amazing services that the Municipality of Lambton Shores offers particularly to Forest Skating Club. Please feel free to reach out with any further questions or discussions.

Sincerely,

Kerry Kingdon
