**RE: Trunk Sanitary Sewer and Ontario Street Reconstruction
Project No. 20148, Contract No. 1**

Tenders were received on Tuesday February 1, 2022, for the Trunk Sanitary Sewer and Ontario Street Reconstruction, Project No. 20148, Contract No. 1 as summarized by the following table:

Tenderer	Tendered Amount
Birnam Excavating Ltd.	\$6,258,084.20
J-AAR Excavating Ltd.	\$7,772,512.90
Blue-Con Construction	\$7,876,554.00
Van Bree Drainage & Bulldozing Ltd.	\$9,904,232.70

The lowest three tenders were checked and found to be mathematically correct. The tender from the fourth-place bid was reviewed to confirm the total listed on the tender was going to be approximately correct. All tenders were properly signed and each was submitted with the specified tender deposit and Agreement to Bond.

Since the lowest tender is acceptable contractually, and the tenderer is experienced in urban road reconstruction work, further analysis is limited to the lowest bid. We are not aware of any reason why the contract should not be awarded to Birnam Excavating Ltd. for the total tender sum of \$6,258,084.20, incl. HST.

Please retain the tender deposits from the two low bidders until the contracts are formally signed. The other tender deposits may now be returned.

Should you have any questions, please contact the undersigned.

Yours very truly,
