Dear Prime Minister:

**Re: Carbon Tax**

At its meeting held on January 15, 2024, Sarnia City Council adopted the following resolution:

***Whereas the federal government recently increased the carbon tax in April 2023 and will almost triple it by 2030; and***

***Whereas the Parliamentary Budget officer has admitted that when fiscal and economic impacts of the federal fuel charge are considered that the vast majority of households will see a staggering loss; and***

***Whereas this tax flows through from producers to transporters to the grocery store floor for our citizens; and***

***Whereas this tax does very little to reduce pollution and emissions; and***

***Whereas two thirds of Canadians are approximately \$200 away or less from not being able to pay all their bills at the end of the month; and***

***Therefore, be it resolved that Sarnia City Council write a Letter to the Federal government (and copied to other Municipalities for their consideration) strongly urging them to cancel the carbon tax which is financially hurting our citizens at a time***

***when affordability concerns are at an all-time high to ease the financial and inflationary pressure on our Citizens.***

Your consideration of this request is respectfully requested.

Yours Sincerely,
