RE: SECURING ACCESS TO NATURAL GAS FOR OUR COMMUNITY AND ONTARIO

WHEREAS Access to natural gas is important to residents and businesses in our community for affordability and reliability;

AND WHEREAS The Ontario Energy Board's (OEB) decision on Phase 1 of the Enbridge Gas 2024 rebasing application, issued on 21 December 2023, has concerning implications including putting into question the future access to natural gas that support of economic development, affordable housing growth, and energy reliability in communities such as the Township of Warwick;

AND WHEREAS Ontario is growing and access to affordable energy to support this growth for homes and businesses is crucial and is a measured approach to energy transition as not having access to natural gas will stifle economic growth and put housing and energy affordability at risk.

NOW THEREBE IT RESOLVED:

1. THAT the Corporation of the Township of Warwick supports a measured approach to Ontario's energy transition;

AND THAT the Corporation of the Township of Warwick recognizes that there may not be enough electricity available to replace the energy provided by natural gas and meet the increased demand from electrification.

2. THAT Natural gas must continue to play an integral role in meeting the energy needs of rural Ontario.

3. THAT the Corporation of the Township of Warwick supports the work the Government of Ontario has done to date, including the Natural Gas Expansion Program and Electrification and Energy Transition Panel's call for a clear policy on the role of natural gas to secure access to affordable energy.

4. THAT this resolution be circulated to the President of AMO, Colin Best, Hon. Doug Ford, Premier of Ontario, Hon. Todd Smith, the Minister of Energy, Member of Provincial Parliament for Sarnia-Lambton, all regional municipalities and submitted to municipalaffairs@enbridge.com.
